### **KATA (FORMS) & WEAPONS KATA**

\* Will be judged on an 8.00 to 9.00 basis for Youth and Under Belt Divisions.

\* Black Belt divisions will be scored on a 9.00 to 9.99 basis.

\* If a contestant forgets their kata/form, they may start again with a one-point deduction from the total judges combined score. Disqualification from the form event will occur on any stoppage after the first occurrence.

\* If there is a tie between contestants for 1st or 2nd place, the competitors will perform the SAME kata/form again. If a tie remains after the 2nd Kata/Form, the competitors will be asked to perform a different kata/form. If a tie remains, the judges will point to the winner.

\* If there are gymnastic movements in the kata/form, the judges will not add points for those movements, but may subtract points for those movements are not executed according to the criteria of a form competition.

\* The criteria for this competition are: Rhythm, Balance, Timing, Speed/Power of movement, Weapons Position, Eye Position and Personality (of the kata/form).

\* Degree of difficulty is considered in the execution of individual movements, but not in the complexity of the entire kata/form. In other words, a lower belt who executes a Black Belt form will be expected to do the individual movements as well as a Black Belt in order to receive a higher score.

\* Each judge will have one vote. There will be three judges for Under Belt divisions & children's Black Belt divisions & five judges for Black Belt adult divisions. The high & low score will be excluded in the Black Belt adult division.
