A maximum of 3 roster changes or additions will be allowed after the roster deadline. All roster changes must be approved by and made directly with the BODYARMOR State Games office after the roster deadline.
5. Your team roster will be checked against the rink's information as well as through USA Hockey. Players may have to submit score sheets to prove that they are in the proper division. Any team with players not registered in the appropriate division must remove the player(s) from the roster. No roster additions will be allowed for removed players after the maximum number of roster changes or additions have been made by a team following the roster deadline.
7. Absolutely NO ONE will be allowed to participate in the BODYARMOR State Games without a properly signed Agreement to Participate on file. This will be done by each player and coach/manager that will be on the bench when completing the Team Member Log-in registration option.  - c. Goals against
 - d. Goal differential (maximum goal differential will be 5)
